

# WHAT PET INSURANCE COVERS VACCINATIONS

## Types of Pet Insurance Plans

- **Accident-Only Plans:** Do not cover vaccinations.
- **Comprehensive Plans:** Include accident, illness, and preventive care.

## Leading Providers Covering Vaccinations

- **Embrace:** Wellness rewards cover vaccinations.
- **ASPCA Pet Health Insurance:** Optional preventive care plans include vaccinations.

## Benefits of Vaccination Coverage

- **Cost Savings:** Reduces out-of-pocket expenses.
- **Preventive Health:** Keeps pets healthy and prevents diseases.

## Does Pet Insurance Cover Diseases?

- **Covered Diseases:** Infectious diseases, chronic conditions, cancer treatments.
- **Exclusions:** Pre-existing conditions, hereditary conditions, specific illnesses.

## How Much is a Vaccinated Dog?

- **Initial Costs:** Puppy vaccinations (\$75-\$100), adult boosters (\$50-\$100).
- **Additional Costs:** Vet visit fees (\$40-\$60), preventive medications, insurance premiums (\$25-\$70/month).
